

The Monthly Meow | March II 2021

Thanks To Our Humane Heroes!

Support is strong! The spring season offers a great reminder that we grow stronger together. In this issue, we want to recognize our supportive community, mention ways you are helping us grow, and offer up some great ways to help our animal friends.

Animal Antics

Perez and Crew Want To Meet YOU

Newly adopted dog Perez looks cute and confident in his Lupine Collar! No wonder he was scooped up by a loving family this week. March has brought our shelter a **huge** influx of transports. Cats and dogs from all over the country are waiting for their next forever families! Check out these new faces on our new [website!](#)

Prevent Accidental Poisonings

Our pets depend on us to keep them safe. National Poison Prevention Week is a great reminder of this. Thanks to [Conway Family Dental](#) for helping us keep pets safe and smiling!
